“High On Life” Drug Free

For I know the plans I have for you. - Jeremiah 29:11

Join us for our Art & Writing Workshop! Hosted by the **Caring Ministry**, we're excited to welcome Alexis Wasney, a Dutchess County Health Educator, who will speak about making healthy, drug-free choices.

Let your creativity shine as we explore positive decision-making and the power of expression. Enter our Coloring Contest by creating a themed based original design, or submit a short essay on the importance of living a drug-free life.

Open to **youth grades K-12**, this fun and supportive workshop encourages learning, creativity, and community growth. We can't wait to see your artwork and hear your voice.
